CONSULTATION RESPONSE
RENEWABLES OBLIGATION

To: Malachy McKernan via NIROREFORM2008@denini.gov.uk

DEPARTMENT OF ENTERPRISE, TRADE AND INVESTMENT
REFORM OF NI RENEWABLES OBLIGATION

This preliminary consultation response sets out the Alliance Party's interest in the subject. Its stance is informed by a commitment to the environment, and to the principles set out in the party's response to the NI Executive's *Programme for Government and Budget* in January 2008.

Response

The Alliance Party notes proposals as they stand, and supports the establishment of good practice in line with Great Britain.

We would seek regular updates in the Assembly on this subject, and look forward to the further consultation process, in which we intend to play a full part. We would wish to record our desire to receive all relevant information as this process goes on.
